GETTING AROUND ON BIKE

CYCLING HELPS CLEAN UP OUR AIR!

Cars produce a huge chunk of the emissions that lead to higher smog levels in our area. By using active transportation, like your bike or your feet, you're helping protect Woodland's clean air future.

When you can't bike or walk,
RIDE TRANSIT OR CARPOOL!

Woodland
Bike Campaign

BICYCLING SAFETY TIPS

- Obey all traffic laws.
- Don't bike on sidewalks.
- Use hand signals.
- Be predictable to vehicle traffic.
- Keep your bike maintained.
- Wear a helmet.
- Know your route and carry a map.
- Don't text and cycle. Focus.

The Woodland Bike Campaign offers regular free bike clinics where you can learn how to make basic repairs to your bike and learn how it all works. We can also direct you to additional education on cycling safety.

THE WOODLAND BIKE CAMPAIGN IS A NON-PROFIT DEVOTED TO MAKING CYCLING ACCESSIBLE FOR ALL RESIDENTS OF THE CITY.

THE YOLO-SOLANO AIR QUALITY MANAGEMENT DISTRICT IS A PUBLIC HEALTH AGENCY DEDICATED TO PROTECTING RESIDENTS FROM THE HARMFUL EFFECTS OF AIR POLLUTION.
