

# PULSE OF THE CITY

NEWS TO KEEP YOU INFORMED  
WOODLAND CHAMBER OF COMMERCE

## President Ramsay Writes...

Greetings Woodland Chamber members and community partners, we would like to thank you for your membership and ongoing support! As your Chamber President, one of my goals for 2020 was to approve a new Mission and Vision Statement that conveys our purpose and promise to our membership and community. I am delighted to share these statements, which were formally adopted at our Board of Directors meeting in April. These declarations mean to inspire, clarify, and focus the organization's scope of work and priorities for the future.

### Our Mission:

The Woodland Chamber of Commerce is an active membership organization that promotes business growth and economic prosperity by strengthening and enhancing our community relationships.

### Our Vision:

The Woodland Chamber of Commerce supports, encourages, and advocates for business and industry, creating the best community in which to live, work, and do business.

With our fresh Mission and Vision statements in mind, our Board of Directors, committees, and staff have been working hard to bring you impactful and educational programs and events that you will not want to miss. Please sign up and attend the next Virtual Lunch and Learn scheduled for June 25th, where we will have our District Attorney and Chief of Police report on the unintended consequences that Proposition 47 has posed, not only for the city of Woodland and Yolo County but for all of California. Proposition 47, known by advocates as the "Safe Neighborhoods and Schools Act," has done nothing positive for schools and neighborhoods but instead has resulted in increased property crimes and has limited the requirement of addiction services.

We are also very excited to announce our virtual "State of the City" address presented by the Woodland Chamber of Commerce and sponsored by Dignity Health, where our Mayor Richard Lansburgh, and our Interim City Manager Ken Hiatt, will report on the top issues facing our city, that will be followed by a brief question and answer session. This noontime event is scheduled for July 15th and will be open to members and non-members with limited capacity, so please sign up early.

Lastly, get your foursomes together and mark your calendars for Thursday, September 17, 2020! We are moving forward with a modified Chamber Golf Tournament, which will once again be held at the beautiful Yocha de He golf course. Stay tuned, more details coming soon.

Please contact the Chamber office for more information on these events and how you can get the most value out of your membership investment. Stay safe and well!

**Sincerely,**

**Aniek Ramsay**

**President, 2020**

**Woodland Chamber of Commerce**
